ITEM	Summary of item	Carmen's recommendation of what to do:
04-11 and 04-12	READ THESE FIRST: Report of the Committee to Review the Presbyterian Mission Agency and Report of the Committee to Review the Office of the General Assembly (part of "The Way Forward" process)	Merge and then amend by using favorable parts of 04-07, 04-08 and 04-09: Form commission to merge the PMA and OGA and give the commission a deadline for completion of their work by 2018 GA
04-07, 04-08, 04-09, 11-18	All kinds of ideas for how the PMA and OGA might be merged	Answer with action on 04-11
06- Info	READ the Advisory Committee on Litigation Agency Summary and the decisions of the General Assembly Permanent Judicial Commission	There's no action to take. But reading this report is a necessity for anyone who wants to understand the current status of the Permanent Judicial Commission and the disposition of cases by the PJC since the last GA.
04-01	Changing meetings of the GA to a cycle where overtures to amend the Constitution can only be introduced every six years. Overtures must come to GA with support of 15% of presbyteries.	No. Good diagnosis of the problem. Treatment plan never resolves what "health" looks like.
04-02	Elevating Presbytery Executives to status of Advisory Delegates to the General Assembly	No.
11-01	Restricting the adoption of divisive, partisan, political Social Witness statements or resolutions; requiring prior support of 1/3 of presbyteries for GA consideration. Taken with 04-01, this could only happen every six years.	Yes.
11-02	Restricting and redefining the role of the Advisory Committee on Social Witness Policy (ACSWP)	Amend to include restrictions on Office of Public Witness in DC and the office at the U.N.
11-03, 11-09	Directly oppositional to items 11-01 and 11-02, these two overtures seek to celebrate and advance the progression of the Social Witnes Policy	Answer with action on 11-01 or 11-02
11-04	Express protection for Sexual Orientation and Gender Identity (SOGI) globally through advocacy in DC, UN, through international mission and global ecumenical partners. Also includes special resources for LGBT immigrants.	Amend to include affirmation of freedom of conscience for mission personel, mission partners, not to conform to the PCUSA's affirmation of LGBT lifestyles. Affirm the equality of all people, not all practices.
11-05	Admission of and apology for harms done to the LGBTQ/Q members of the PCUSA, family and friends. Public pronouncements and apologies for the Biblical interpreation, teachings, preaching and actions that forbade LGBTQ/Q ordination and marriage. Confess that all who affirmed fidelity in marriage between one man and woman, or chastity in singleness were in error as was the Constitution and related actions of Permanent Judicial Commissions.	No. This is a direct violation of the freedom of conscience of every person in the PCUSA who holds that marriage is defined by God and is not subject to redefinition of any human institution. This violates the spirit in which the marriage amendment was passed by the last GA which affirmed that the PCUSA would not require affirmation of behaviors that many understand to be biblically abhorrant.
11-06, 11-16	Committing to play an active part in the global response to the HIV/AIDS epidemic and, equip and mobilize congregations to better serve those living with HIV/AIDS	Yes if funding is identified, otherwise its an unfunded mandate.
11-08, 11-17	Issue statement of apology to Native Americans, Alaskans and Hawaiians for historic harms; and review the Doctrine of Discovery	Yes
11-10, 11-12, 11-20	Call to Racial Reconciliation, Engagement in a new Civil Rights Movement and renewing the Church's Urban mission	Some combination of all of these?
11-11	Advocacy against Factory Farming and encouraging all Presbyterians and councils to purchase only meat that is "Certified Human raised and handled"	We need to hear from Presbyterian farmers on this overture.
11-13	U.S. election restructuring and campaign finance reform (from ACSWP)	We need input from Presbyterians serving in national elected offices to speak to this issue.
11-14	End of life report with recommendations (from ACSWP)	We will follow the lead of Presbyterians Pro Life on this topic. www. ppl.org
11-15	Preferential use of "diverse" suppliers when awarding PCUSA contracts through all agencies at all levels. The substance of this passed by prior GA. This action is simply to agree on a standard definition of supplier diversity.	Yes - because to vote against it is meaningless.
08-01, 08-04, 12-05	Boycott of all HP products until they cease profiting from all non-peaceful pursuits in Israel/Palestine; and call for RE/MAX to stop selling property in West Bank settlements. 12-05 is related but in an entirely different committee. It seeks to "teach" Presbyterians the theology of boycott and divestment as "nonviolent means of resistance against human oppression"	No. If you're not familiar with the anti-Israel BDS movement, visit http://www.adl.org/israel-international/m/bds/
08-02	Advocating for the safety and well-being of all children of Israel/Palestine	Yes. Watch The Green Prince documentary on YouTube.
08-03	Advocating for Christians and other persecuted religious minorities in the Middle East	Yes. Go to IraqiChristianRelief.org and PhilosProject.org to learn more.
08-05	Reverse divestment mandate against Caterpillar, HP and Motorola Solutions. Encourage positive investment that advances peace and improves lives of Palestinians and Israelis	Yes.
08-06	ACSWP report with recommendations: Israel/Palestine, for human values in the absence of a just peace	We await the analysis of this item by Alan Wisdom. We will post his analysis at Layman.org.
09-09	MRTI recommendation: Fossil Fuels, climate change, creation care and corporate engagement with carbon extraction related companies	Yes.
09-01, 09-02, 09-03, 09-04, 09-08	Addressing climate change; calling for divestment from all fossil fuel related companies; and 09-08 creates the policy upon which future fossil fuel divestment could be built	Answer with action on 09-09
09-05	Celebrating Pope Francis I's encyclical on Climate Change	Yes
09-07	Affirming the theory of evolution by affirming 4.6 billion year old earth, all life "descent with modification from common ancestors," humans emerge as a species over 6 million years of hominin development	No. Affirming creation does not necessitate the denial of the Creation accounts nor the active will of the Creator in making human-kind in particular.
10-01	Seeking to eradicate slavery from supply chains with whom PCUSA does business	Yes.

10-05   Resend the 1990 GA Mission Program budget policy and procedures. (This entire proposition of the 1990 GA Mission Program budget policy and procedures.) This entire proposition are stricted assets of \$200 million available for mission and ministry. PMA has additional restricted assets of \$200 million available for mission and ministry.
